REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm and House of Correction, Farm Physician, and Chaplain for the year ending December, 31, 1938.

COUNTY FARM

During the year 1938 more people were cared for at the farm than for many years past.

The new hospital has been filled to near capacity practically all the time and has been a great help in providing proper care for those in need of hospitalization and the care of trained and experienced nurses.

All the buildings connected with the institution are in good condition due to the fact that all necessary repairs are made as needed.

For the satisfactory condition of affairs at the farm, we feel indebted to Superintendent and Mrs. J. M. Lorden and their faithful officers for their continued efficient services.

For the many details relating to the administration of the institution, we would refer you to the report of the Superintendent on other pages.

WELFARE AND RELIEF

At the last session of the Legislature changes were enacted in the law which materially affected not only the administration, but the cost of relief to the counties of the State.

Effective July 1, 1938 the Settlement Law was so changed that the counties now have to assume the full cost for di-

rect relief cases, which under the old law they received some reimbursement from the State.

Another change in the law also affected the settlement of town and city cases.

On July first the administration of Old Age Assistance came under the administration of the State.

The county or town, whichever is liable under the new Settlement Law pays 25%, the State 25%, and the Federal Government 50% of the grant.

Aid to the Blind, now administered by the State is paid by the Federal Government and the State.

As the new law has been in effect only six months, it seems too early to determine whether or not it is an improvement over the law which it superceded.

Again we would say "whatever unit of government may administer relief, it is the tax payer who has to pay in the final analysis."

FINANCES

We would call your attention to the Balance Sheet on another page which shows that the debt of Merrimack County was reduced by \$40,254.68 during the year 1938.

The total county expenditures were kept \$24,136.69 within the appropriation.

Cash on hand January 1, 1938, \$70,699.59. There were

no unpaid bills in our hands at the close of the year which had been presented for payment.

Sometime ago Merrimack County adopted "the pay as you go" plan, consequently the County is now well on its way out of debt.

We can not close this report without expressing our sincere appreciation to the Merrimack County Legislative Delegation for their most faithful cooperation.

To the many local officials and citizens, who have given us so much helpful assistance, we are truly grateful.

Respectfully submitted,

ARTHUR H. BRITTON,
G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
Commissioners of Merrimack County.

STATE OF NEW HAMPSHIRE

We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer and cash accounts of the Superintendent of the County Farm for the twelve months ending December 31, 1938, that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price and all such articles have been used for the benefit of the county, according to the best of our information, knowledge, and belief; and that the charges for expenses of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there were outstanding bonds of the County amounting to \$87,000.00 and outstanding notes amounting to \$57,000.00 as of December 31, 1938.

During the past year several permanent improvements have been made. A large tool shed and garage has been erected north of the main cow stable. An electric milk storage refrigerator has been installed with a capacity of eighteen large cans. Also, a large electric storage refrigerator (10 x 14) has been installed in the basement of the main building. The building known as the School House

has been remodeled into a very attractive cottage with sun porch and steam heat. A new tractor, new potato planter, tractor harrow, electric bench saw and planer, electric jig saw, and a wood-turning lathe have been added to our Farm equipment. All of the above additions were much needed and greatly appreciated.

In concluding this report, we wish again to extend our appreciation to the board of County Commissioners for their ever-ready advice and cooperation. We also wish to include—our physician, Dr. A. A. Beaton; our pastors, Rev. Asa M. Parker and Rev. Father Brophy; The Women's Christian Temperance Union of Franklin, both for their spiritual aid and for their material contributions to the Christmas Tree; the other organizations who from time to time have aided us; and our faithful staff of officers and nurses who have worked with us so diligently during the past year.

Our Christmas tree and entertainment was again conducted by the Concord Federated Business Women's Club, personally supervised by their President, Miss Bessie Gray, assisted by Mrs. Dorothy Putney and Miss Emily Sprague, Matron of the Christian Science Home. A wonderful entertainment was given by this organization, assisted by some of the very best vocal and instrumental talent in the State.

Over a thousand gifts were distributed by our popular Santa Claus, Mr. Harold Cheney and our County Commissioners, aided by several of the entertainers. A parody composed by our former County Solicitor, Mr. Herbert W. Rainie, and sung by the Temple Male Quartette made a decided hit and all present voted it to be one of the best Christmas parties ever held at the Farm.

Respectfully submitted,

J. M. LORDEN, *Superintendent.*
BELLE LORDEN, *Matron.*

REPORT OF THE PHYSICIAN

To the Commissioners of Merrimack County:

The Medical department has been kept busy during the year. All beds in the hospital were occupied most of the time.

Pneumonia and influenza were the predominating acute diseases. There were four deaths from pneumonia. Three of the cases were well advanced and in very poor condition when admitted. The remaining deaths were caused by conditions usually found in people well advanced in years.

I wish to express my appreciation for the excellent co-operation I received in caring for the sick, from the Commissioners, Superintendent, Matron and their able staff of nurses.

A. A. BEATON, M. D.

REPORT OF THE CHAPLAIN

To the Commissioners for the County of Merrimack:

The Chaplain rendered his usual service at the County Farm during 1938, conducting services every first and third Sunday except during July and August. The Franklin W. C. T. U. assisted on the fourth Sundays.

The Junior Choir of the Boscawen Congregational church sang Christmas carols in the hospital wards on the afternoon of Christmas Eve.

Grateful acknowledgements are due, for gifts of magazines, to the Ezekiel Webster Grange of Boscawen, and again to the Professional and Business Women's Club of Concord for the splendid Christmas entertainment and gifts, assisted by the Temple Male Quartet.

Again the Chaplain desires to express his deep appreciation for the cordial interest and cooperation of Superintendent and Mrs. Lorden, and for the cooperation of others of the staff and members of the Home.

Special music was furnished for every Sunday service by Mrs. Smith at the piano and a faithful volunteer choir.

The Chaplain officiated at three funerals during the year.

Respectfully submitted,

ASA M. PARKER,
Chaplain.
